

The map above is an accurate reflection of Exit 73 on I-40. If your coming from the East (from the right) you make a left at the bottom of the ramp, you then make your first right (as you can see the first right is also the off ramp from the West) don't despair our road Catawba River Road intersects the off ramp, when your half way up the off ramp you will turn left on Catawba River Road and travel three miles (pass a ballpark on the left our SIGN is on the tennis court, then you will pass a church on the right, we will be about 1/4 mile more on the left.) If you are coming from the West (Asheville) take exit 73 and BEFORE you reach the end of the off ramp you will turn right on Catawba River Road. Then continue with the directions above. For those of you that are in to GPS our Lat Long location is 35.61335 / -82.22383 we are at an elevation of 1730ft.
